

# BEIJING MEETING

Beijing, China 22-25 April 2016

ENERGY MATERIALS NANOTECHNOLOGY

Dear colleague,

It is our great pleasure to announce the *2016 Energy, Materials, and Nanotechnology (EMN) Meeting*, which will take place in Beijing, China from 22st till 25th April, 2016. The EMN meeting began in 2008 as a small workshop held at a traditional villa in Orlando, Florida. Since then it has grown steady and become a global event on the general theme of Energy, Material and Nanotechnology.

The EMN Meetings now include: EMN Fall (Orlando), EMN Spring (Las Vegas), EMN Summer (Cancun), EMN East (Beijing), EMN Open (Chengdu), EMN Phuket, EMN Istanbul and EMN Spain.

We invite all members of the international scientific community interested in new developments in Energy, Materials, and Nanotechnology to attend and to submit their latest findings to EMN 2016. The conference will provide a range of **oral** and **poster** presentations and **invited** talks.

Selected (after peer-review) papers from the conference will be published in various ISI and Scopus indexed journals (Nanoscale Research Letters, Journal of Semiconductors, Lecture Notes in Nanoscale Science and Technology, Springer Series in Materials Science, Journal of Nanoelectronics and Optoelectronics, and Journal of Nanoscience and Nanotechnology). Only one paper per registered participant will be published.

We cordially invite you to attend the conference, actively participate in its technical sessions, and contribute to the continued success of this conference series. Up-to-date information on all aspects of the conference will appear soon on the conference webpage: <http://www.emnmeeting.org/beijing/>

The site of this conference is **Beijing**, he capital of China, Tradition and modern civilization; one can enjoy the Great Wall, the Summer Palace, the Forbidden City, and the temple of heaven; and more, Birds' Nest, Water Cube, the new Beijing is worthy of your visit as well. Beijing's numerous spots of interest afford an individual with many opportunities for leisure and culture. On behalf of the EMN organizers, we look forward to seeing you in Beijing and to join an exciting and enjoyable conference. **The conference will cover the following topics (Conference's topics):**

- ✧ **Bioenergy**
- ✧ **CIGS**
- ✧ **Memories**
- ✧ **Nanomaterials for Electrocatalysis and Photoelectrocatalysis**
- ✧ **Optical Fibers**

- ✧ **Optoelectronic Materials and Devices**
- ✧ **Organic Optoelectronics**
- ✧ **Silicon Photonics**
- ✧ **Solar Energy**
- ✧ **General**

The conference will be held in the **Beijing Xijiao Hotel**, located in the Haidian District, Technology and Cultural Center, adjacent to Beijing's Zhongguancun, known as Silicon Valley, the East near the nest, water cube, the Olympic Village and other new landscape,

We invite you all to take part in this exciting and enjoyable Conference, where experts from all over the world will be able share their latest research.

Abstract submission already opened (<http://www.emnmeeting.org/beijing/for-contributors/>). Please, follow the link for further information about the event and preliminary registration: <http://www.emnmeeting.org/beijing/registration/>. Please spread this information among your colleagues.

If you require any other information (conference venue, accommodation, onsite registration), do not hesitate to contact the Conference Secretariat at the following e-mail address: "[beijing@emnmeeting.org](mailto:beijing@emnmeeting.org) or [emnbeijing@outlook.com](mailto:emnbeijing@outlook.com)" or visit the website <http://www.emnmeeting.org/beijing/> (abstract submission, proceedings publication, preliminary registration).

We are looking forward to meeting you in Beijing!

Kind regards,

Conference chairmen

**Zhiming Wang**
